DREAM

Drea-ea-ea-ea-eam, dream dream dream,

Drea-ea-ea-ea-eam dream, dream, dream,

When you are tired, just climb in bed, and lay down your, your weary head,

Whenever you're sleepy, all you have to do is drea-ea-ea-ea-eam

When you're asleep, you drift away to a new land, where worries play

Whenever you're sleepy, all you have to do is drea-ea-ea-ea-eam

Dreams can come true, it's up to you, any time, night or day.

Only trouble is, gee whiz, I'm dreamin' my life away.

This world needs dreams, they make us fly,

we love this land, and that is why,

whenever you dare to, all you have to do is

drea-ea-ea-ea-eam, dream, dream, dream, drea-ea-ea-ea-eam

Dreams can come true, it's up to you, anytime, night or day.

Only trouble is, gee whiz, I'm dreamin' my life away.

This world needs dreams, they make us fly,

we love this land, and that is why, whenever you dare to,

all you have to do is drea-ea-ea-ea-eam, dream, dream, dream,

drea-ea-ea-ea-eam, dream, dream, dream

Drea-ea-ea-ea-eam, dream, dream, dream...

HEY, WAKE UP!

AMERICA

FAR! We've been traveling far.
Without a home, but not without a star.
FREE! We've been traveling free!
We huddle close, hang on to a dream.
On the boats and on the planes, They're coming to America.
Never looking back again, They're coming to America.
HOME, don't it seem so far away,
Oh we're traveling LIGHT today.
In the eye of the storm, in the eye of the storm.

(Interlude)

Everywhere around the world, they're coming to America.
Every time that flag's unfurled, they're coming to America.
Got a dream to take them there, they're coming to America.
Got a dream they've come to share, They're coming to America.

They're coming to America...Today!

(4 times)

My country 'tis of thee (TODAY!) Sweet land of liberty (TODAY!)
Of thee I sing...(TODAY!) Of thee I sing (TODAY!)

Today... (4 times)

They're coming to America (3 times)

They're coming to America...TODAY!

TODAY!

America TODAY!

MIDNIGHT RIDE

They saw two lanterns in the North Church Tower: Ride, Ride
They knew this was to be the fateful hour: Ride, Ride
For a man to ride, and to alarm
Every village and every farm
To awaken them and call to arm
It was the Ride of Paul Revere

Ride! Ride! Tho' the night be cold.
Ride! Ride! Till the truth be told!
Ride! Ride! Like that man of old!
Ride like Paul Revere!

In seventy five upon an April night: Ride! Ride!
The air was chilly and the moon shone bright: Ride! Ride!
They rowed him past the Man-of-War
Landed on the Charlestown shore,
Where the finest steed was ready for,
The ride of Paul Revere.

Ride! Ride! Tho' the night be cold.
Ride! Ride! Till the truth be told!
Ride! Ride! Like that man of old!
Ride like Paul Revere!

I wonder if, two hundred years ahead: Ride! Ride!
If they will ride, or if they'll stay in bed: Ride! Ride!
When faith and freedom within them die,
And when they hear that midnight cry
And the hoof-beats cross the moonlit sky,
Will they ride with Paul Revere?
Ride with Paul Revere!

THIS LAND IS YOUR LAND

This land is your land, this land is my land, from California, to the New York Island
From the Redwood Forest, to the gulf-stream waters, this land was made for you and me.

As I was walking, a ribbon of highway, I saw above me and endless skyway,
I saw below me, a golden valley. This land was made for you and me.

This land is your land, this land is my land. From California to the New York Island
From the Redwood Forest, to the gulf-stream waters, this land was made for you and me.

THANK YOU, SOLDIERS

When I lay my head down every night and go to sleep in peace,
I can stay there knowing all is well, while you're standing on your feet.
Keeping watch protecting shore to shore, In the air and oceans too,
Defending freedom at all cost for the red, white and blue.

CHORUS:

Thank you, oh thank you,
Men and women brave and strong
To those who served so gallantly
We sing this grateful song.

To the soldiers who have travelled on to countries far and near
In peace and war you paid the price for the cause you hold so dear.
That we may wake each morning bright and know that freedom rings.
Because of your great sacrifice our country joins to sing:

CHORUS (twice)

WE CAN MAKE THE DIFFERENCE

As children of the world we are learning every day
Preparing for the future, which we hope will be okay
We can make things better, a new world for all to see
A place where we can grow up in peace and harmony!

We can make the difference; it's up to you and me.
Together we can help the world to live in harmony.
We can make the difference; just lend a helping hand.
We can make the difference, yes we can.

As children of the world, we should help our fellow men.
Share with those who are in need giving all the help we can.
Love your neighbor as yourself is the motto we should live.
Those of us who have so much, it's time we learn to give.

We can make the difference; its up to you and me.
Together we can help the world to live in harmony.
We can make the difference; just lend a helping hand.
We can make the difference, yes we can.

We can make the difference; its up to you and me.
Together we can help the world to live in harmony.
We can make the difference, just lend a helping hand.
We can make the difference yes we can.
We can make the difference (pause) yes we can!

I HAVE A DREAM

(ALL)I have a dream rooted in America
believing in equality for all,
and no matter what their differences one day all boys and girls
Will see what's on the inside, and help to change the world.

(SOLO)This is our hope that one day we'll all be able
to sit down at the table of brotherhood.
We will be judged by the character inside us,
the person that we are will be understood.

(ALL)and faith will turn despair to hope
and faith will turn our dissonance to beauty.
Till one day ev'ry mountainside
will be ringin' out freedom, let it ring!

(ALL)I have a dream rooted in America
believing in equality for all,
and no matter what their differences one day all boys and girls
Will see what's on the inside, and help to change the world.

(ALL)Let freedom ring! (SOLO)From the coast of California!
(ALL)Let freedom ring, (SOLO)From the endless golden prairies!
(ALL)Let freedom ring! (SOLO)From the peaceful Gulfstream waters!
(ALL)Let freedom ring! (SOLO)From the mighty Rocky mountains!

(ALL)and when freedom rings (SOLO)we will all join hands together
(ALL)and when freedom rings, (ALL)we can sing with meaning all together

"Land where my fathers died, Land of the pilgrims' pride,
From ev'ry mountainside, Let freedom ring!"

I have a dream rooted in America
believing in equality for all,
and no matter what their differences one day all boys and girls
Will see what's on the inside, and help to change the world.

(SOLO)Will see what's on the in-side, and help to change the world.
